THE REDUCED-PLAYER HOCKEY LEAGUE,

is directed by Debbie Bloodsworth. Players will be placed on teams according to position and experience. School teams may register as many as 4 players to play together on the same team...the remainder of their squad will consist of other individuals from school/college teams. In order to enroll, all players must have played in 7th grade (or rec team) for the 15 and Under Division, Middle or High School experience for the Open Division...NO BEGINNERS! This is to ensure that players are challenged appropriately for their level of ability and experience. The 15 and Under division will be coached (for the first few sessions) on the field by a qualified coach/official. The Open Division games will be officiated by a qualified official.

*****Note: We are allowing teams to register, however, the same restriction applies to the number of students from the same school (4). If you wish to enter a team, all entries must come in together and you can have as many as 18 (no GK) or 17 players(1 GK) on your team. If less than 17 or 18, you must be inclusive and welcoming to the other individuals who will be assigned to complete your team.**
