

McCauley Bowl Recipient Nominations

The McCauley Bowl is awarded periodically to an alumna or other member of the School community who has distinguished his/herself through long service to the School and its graduates. This award is made in memory of and in gratitude for the life of Bell Lazenby McCauley of the Class of 1931. Mrs. McCauley's life of service to defines the standards and values which are used by the Alumnae Association Board in selecting recipients of this honor. The family wishes the Alumnae Board to make this award only intermittently as an exceptionally worthy candidate is proposed but hope the Boards will feel free to place a broad interpretation on the criteria.

If you would like to make a nomination, please notify Missie Mack, Director of Alumnae Relations.

Past Recipients
